(Matches canceled due to weather conditions will be rescheduled the following Sunday weather permitting)

ADMINISTRATION AND LOCATION: The Valley Gun Club will host F-Class matches its range in Donna, Texas. Directions to the range are located on its website at valleygunclubtexas.com. Matches will be conducted pursuant to the NRA High Power Prone Rules, F-Class. Any person who is deemed to present a safety hazard or commits disruption behavior may be asked to leave the premises by the Match Director.

MATCH DIRECTOR: David Royse Joe, cell phone (214) 235-5385.

ARRIVAL TIME AND COMMENCEMENT: Participants should arrive at the pits by 7:15 a.m. to assist in preparation and set up of Electronic Targets, with Closure of Registration and Commencement by 8:00 a.m.

COURSE OF FIRE: Except for the December Championship Match, each tournament will consist of 3 matches shot from 600 yards wherein shooters will fire 15 shots for record with unlimited sighting shots within 20 minutes. The December tournament will be 20 shots for record with unlimited sighters within 25 minutes.

ENTRY FEE: \$20 (Club Member) \$25 (Non-Club Member), nonrefundable.

PRIZES: Awards may be given for match winners and tournament winners (aggregate) at the discretion of the Match Director, for competitors using the F-Class target.

ELECTRONIC TARGETS: Matches are presently conducted using electronic targets. As a result of the installation of sensitive equipment, rifles and competitors must be capable of maintaining ALL shots in scored areas of the target under ALL circumstances so as to not damage equipment. All competitors are responsible for their shots. For this reason, VGC has approved these as F-Class tournaments (as opposed to any centerfire rifle) and any awards will be based on F-Class target face use, only.
